

Notification 6275

Implementation Date

7/6/23

Category

CPT - Evaluation and Management Services

Topic

Multiple initial hospital care services

What is changing?

If an initial hospital service code is submitted for a date of service on which another charge for initial hospital care service also was submitted, the second claim received for initial hospital care services will not be reimbursed.

Market

US

Language

English

Provider Types

Physician/Health Care Providers

Impacted Products

- Medicaid – Louisiana

Why is Humana making this change?

According to the American Medical Association CPT manual, initial care codes are used to report the first hospital inpatient or observation status encounter with the patient.
