Topic

Louisiana Medicaid – Genetic Testing for Breast Cancer 1 and 2 Mutations

What is changing?

We limit reimbursement of charges for genetic testing for breast cancer 1 and 2 mutations (BRCA1, BRCA2) to claims reported with an approved diagnosis:

- Breast cancer
- Genetic susceptibility to breast, ovary, prostate or endometrium cancer
- Ovarian cancer
- Pancreatic cancer
- Prostate cancer

Language

English

Impacted Products

- Medicaid – Louisiana

Why is Humana making this change?

According to Louisiana Medicaid guidelines and Humana policy, genetic testing for BRCA1 and BRCA2 must be reported with an approved diagnosis.
