Non-Emergency Medical Transportation (NEMT) and Pharmacy Benefits Manager (PBM) Request for Comment

If Medicaid were to change its current broker model for non-emergency medical transportation (NEMT), what changes would you recommend?	I would strongly recommend the followings: Get away with all five Brokers(Modivcare,Meditrans,One Call, veyo, and Southeastren) and let the state deal directley with the NEMT; if that seems to be difficult to do, then one Louisiana based Broker should handle all 1.8 million medicaid members.
If Medicaid were to change its current pharmacy benefit manager model, what changes would you recommend?	I do not see it from my side
