

Len Transportation

Non-Emergency Medical Transportation (NEMT) and Pharmacy Benefits Manager (PBM) Request for Comment	
RFI Question	Response
If Medicaid were to change its current broker model for non-emergency medical transportation (NEMT), what changes would you recommend?	What I like for it to go from five brokers down to about two or three
If Medicaid were to change its current pharmacy benefit manager model, what changes would you recommend?	That all information is put in the system where we can see it and also be able to know who we are picking up and if they Medicaid or Medicare patients
