Non-Emergency Medical Transportation (NEMT) and Pharmacy Benefits Manager (PBM) Request for Comment	
RFI Question	Response
If Medicaid were to change its current broker model for non-emergency medical transportation (NEMT), what changes would you recommend?	Medicaid needs to only have 2 brokers. Having 5 is way to hard to manage. Hold these brokers accountable for the things being done wrong.
If Medicaid were to change its current pharmacy benefit manager model, what changes would you recommend?	No comment
