Non-Emergency Medical Transportation (NEMT) and Pharmacy Benefits Manager (PBM) Request for Comment	
RFI Question	Response
If Medicaid were to change its current broker model for non-emergency medical transportation (NEMT), what changes would you recommend?	I would give the NEMT providers a better rate, I would pay the NEMT for a cancel at the door, I would have all brokers pay for deadhead miles on a one way trip. All brokers would have to pay the same rates across the board.
If Medicaid were to change its current pharmacy benefit manager model, what changes would you recommend?	N/A
