**Impacted Products**

**Medicaid – Louisiana**

**Why is Humana making this change? / Change Reason:**

**The above limitations are established according to the FDA approved package insert and prescribing information and pharmaceutical compendia. Note: The limitations described above are based on maximum dosages established in milligrams. If any units are denied, the provider may dispute the decision through the appropriate process. The provider may submit information, including medical notes showing the patient's body weight, that substantiates the medical necessity of the additional units.**
