

**DECLARATION OF EMERGENCY**

**Department of Health and Hospitals  
Bureau of Health Services Financing**

**Inpatient Hospital Services - Non-Rural, Non-State Hospitals  
Termination of Additional Payments for  
Hemophilia Blood Products  
(LAC 50:V.965)**

The Department of Health and Hospitals, Bureau of Health Services Financing repeals LAC 50:V.965 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1), et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing adopted provisions governing the reimbursement methodology for non-rural, non-state acute care hospitals to provide additional reimbursements to certain hospitals for the extraordinary costs incurred in the purchase of blood products for Medicaid recipients who have been diagnosed with hemophilia (*Louisiana Register*, Volume 34, Number 10) and other rare bleeding disorders (*Louisiana Register*, Volume 35, Number 4).

As a result of a budget shortfall in state fiscal year 2015, the Department of Health and Hospitals, Bureau of Health Services

Financing now proposes to amend the provisions governing the reimbursement methodology for inpatient hospital services rendered by non-rural, non-state hospitals to eliminate the additional reimbursements for hemophilia blood products purchased by hospitals. This action is being taken to avoid a budget deficit in the Medical Assistance Program. It is estimated that the implementation of this Emergency Rule will reduce expenditures for inpatient hospital services by approximately \$300,000 for state fiscal year 2014-2015.

Effective March 5, 2015, the Department of Health and Hospitals, Bureau of Health Services Financing amends the reimbursement methodology for inpatient hospital services rendered by non-rural, non-state hospitals in order to repeal the provisions governing additional reimbursements for hemophilia blood products.
