

§2311. Louisiana Health Insurance Premium Payment Program

A. Section 1906 of Title XIX of the Social Security Act mandates that Medicaid recipients enroll and maintain their enrollment in cost effective group health insurance plans as a condition of Medicaid eligibility if such a plan is available. In compliance with Section 1906, the department established the Group Health Insurance Premium Payment Program (GHIPP) to provide Medicaid payment of the costs associated with the enrollment of recipients in cost effective group health insurance plans. The department hereby changes the name of the GHIPP Program to the Louisiana Health Insurance Premium Payment (LaHIPP) Program.

B. Medicaid recipients shall be enrolled in LaHIPP when cost-effective health plans are available through the recipient's employer or a responsible party's employer-based health plan if the recipient is enrolled or eligible for such a health plan.

1. The enrollment period for the LaHIPP program shall be no less than six months.

C. When coverage for eligible family members is not possible unless ineligible family members are enrolled, the Medicaid Program will pay the premiums for the enrollment of other family members when it is cost-effective.

D. The recipient or the individual acting on behalf of the recipient shall cooperate to establish the availability and cost effectiveness of group health insurance.

1. Medicaid benefits of the parent may be terminated for failure to cooperate unless good cause for non-cooperation is established. Medicaid benefits for a child shall not be terminated due to the parent's or authorized representative's failure to cooperate.

E. Continued eligibility for this program is dependent upon the individual's ongoing eligibility for Medicaid.

F. LaHIPP recipients shall be entitled to coverage of the patient responsibility amounts for services covered under the group health insurance to the extent allowed under the Medicaid state plan and for all services that are not covered by the group health insurance but are provided for under the Medicaid state plan and rendered by Medicaid providers.

G. The department shall be entitled to any rate refund made when the health insurance carrier determines a return of premiums to the policy holder is due because of lower than anticipated claims for any period of time in which the department paid the premiums.

H. The Medicaid Program will make the determination whether the group health insurance plan(s) available to the recipient is cost effective.
