#### Managed Care for Physical and Behavioral Health Reimbursement Methodology (LAC 50:I.3509)

The Department of Health, Bureau of Health Services Financing proposes to amend LAC 50:I.3509 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

As a result of comments received, the department determined it was necessary to abandon the Notice of Intent published in the January 20, 2023 edition of the *Louisiana Register*.

The department now proposes to promulgate a revised Notice of Intent to amend the provisions governing managed care for

physical and behavioral health in order to further clarify the reimbursement methodology currently in use for FQHCs and RHCs.
