Federally Qualified Health Centers Reimbursement Methodology Mammography Separate Payments (LAC 50:XI.10703)

The Department of Health, Bureau of Health Services Financing proposes to amend LAC 50:XI.10703 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

The Department of Health, Bureau of Health Service Financing promulgated a Rule which amended the provisions governing the reimbursement methodology for federally qualified health centers (FQHCs) to allow the reimbursement of a separate payment outside of the prospective payment system rate for mammography screening and diagnosis services (*Louisiana Register*, Volume 44, Number 12). The U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) disapproved the corresponding State Plan amendment (SPA) submitted for this Rule. The department now proposes to amend the reimbursement methodology for FQHCs in order to repeal the provisions of the December 20, 2018 Rule due to the CMS-disapproved SPA.
