

DECLARATION OF EMERGENCY

Department of Health Bureau of Health Services Financing

Abortion Facilities Licensing Standards (LAC 48:I.4431)

The Department of Health, Bureau of Health Services Financing amends LAC 48:I.4431 as authorized by R.S. 36:254 and R.S. 40:2175.1 et seq. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953.1, and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing repealed and replaced the provisions governing the licensing standards for abortion facilities in order to incorporate the changes imposed by legislation, and further revise and clarify those provisions (*Louisiana Register*, Volume 41, Number 4).

Act 97 of the 2016 Regular Session of the Louisiana Legislature increased the time period required for certain pre-operative services. Act 563 of the 2016 Regular Session of the Louisiana Legislature provides that at least 72 hours before the abortion, the pregnant woman seeking an abortion shall be given a copy of certain printed information, including resources, programs and services for pregnant women who have a diagnosis of

fetal genetic abnormality, and given printed information about resources, programs and services for infants and children born with disabilities, as well as other related matters. Act 593 of the 2016 Regular Session of the Louisiana Legislature provides for the disposal, by interment or cremation, of fetal remains and designates procedures for giving patients options for arrangements. The department promulgated an Emergency Rule which amended the provisions governing outpatient abortion facilities in order to comply with the provisions of Acts 97, 563 and 593 (*Louisiana Register*, Volume 42, Number 12).

The department determined that it was necessary to amend the provisions of the December 3, 2016 Emergency Rule governing the length of retention of the certification of minors and the disposition of fetal remains (*Louisiana Register*, Volume 47, Number 3). This Emergency Rule is being promulgated in order to continue the provisions of the March 20, 2021 Emergency Rule. This action is being taken to protect the health and welfare of Louisiana citizens by assuring the health and safety of women seeking health care services at licensed abortion facilities.

Effective May 17, 2021, the Department of Health, Bureau of Health Services Financing amends the provisions governing the licensing standards for abortion facilities.
