

DECLARATION OF EMERGENCY

**Department of Health and Hospitals
Bureau of Health Services Financing**

**Managed Care for Physical and Basic Behavioral Health
Non-Emergency Medical Transportation
(LAC 50:I.3103)**

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 50:I.3103 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing managed care for physical and basic behavioral health in order to reflect the integration of specialized behavioral health services into Bayou Health as a result of the narrowing of the statewide management organization's scope of service administration for certain behavioral health services (*Louisiana Register*, Volume 41, Number 11). The department now proposes to amend the provisions governing managed care for physical and basic behavioral health to provide clarification regarding the inclusion of non-emergency medical transportation services.

This action is being taken to avoid a budget deficit in the medical assistance program and to promote the health and welfare of Medicaid recipients by ensuring continued access to non-emergency medical transportation services. It is estimated that implementation of this Emergency Rule will reduce expenditures in the Medicaid Program by approximately \$32,701 for state fiscal year 2015-2016.

Effective January 1, 2016, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing managed care for physical and basic behavioral health.
