

DECLARATION OF EMERGENCY

**Department of Health and Hospitals
Bureau of Health Services Financing**

**Psychiatric Residential Treatment Facilities
Licensing Standards
(LAC 48:I.9047)**

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 48:I.9047 as authorized by R.S. 40:2179-2179.1. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B) (1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing promulgated an Emergency Rule which amended the provisions governing the licensing standards for psychiatric residential treatment facilities (PRTFs) in order to remove service barriers, clarify appeal opportunities, avoid a reduction in occupancy of PRTFs in rural locations, and clarify the process for cessation of business (Louisiana Register, Volume 40, Number 8). The department subsequently amended the provisions of the August 20, 2014 Emergency Rule in order to revise the formatting of these provisions to ensure that these provisions are appropriately promulgated in a clear and concise manner (Louisiana Register, Volume 41, Number 11).

The department has determined that it is necessary to amend the provisions governing PRFTs in order to revise the minimum staffing requirements for staff-to-client ratios. This action is being taken to avoid imminent peril to the public health, safety and welfare of the Medicaid recipients by ensuring sufficient provider participation and recipient access to medically necessary PRTF services. It is estimated that implementation of this Emergency Rule will have no fiscal impact for state fiscal year 2016-2017.

Effective May 20, 2016, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing the minimum staffing requirements for psychiatric residential treatment facilities.
