

DECLARATION OF EMERGENCY

Department of Health Bureau of Health Services Financing

Disproportionate Share Hospital Payments Inpatient Psychiatric Services Reimbursement Rate Reduction (LAC 50:V.959,2709 and 2903)

The Department of Health, Bureau of Health Services Financing amends LAC 50:V.959, §2709 and §2903 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing the reimbursement methodology for inpatient hospital services in order to provide supplemental Medicaid payments to non-rural, non-state acute care hospitals that enter into a cooperative endeavor agreement with the department to provide inpatient psychiatric services (*Louisiana Register*, Volume 39, Number 2). The department amended the provisions governing disproportionate share hospital (DSH) payments to non-state distinct part psychiatric units that enter into a cooperative endeavor

agreement with the department's Office of Behavioral Health
(*Louisiana Register*, Volume 39, Number 3).

As a result of a budgetary shortfall in state fiscal year 2016, the department promulgated an Emergency Rule which amended the provisions governing DSH payments to reduce the payments made to non-rural, non-state acute care hospitals for inpatient psychiatric services (*Louisiana Register*, Volume 41, Number 10). The department determined that it was necessary to amend the provisions of the October 1, 2015 Emergency Rule in order to revise these provisions and to correct the formatting of these provisions to assure that these provisions are promulgated in a clear and concise manner in the *Louisiana Administrative Code* (LAC) (*Louisiana Register*, Volume 42, Number 1). This Emergency Rule is being promulgated to continue the provisions of the January 20, 2016 Emergency Rule. This action is being taken to avoid a budget deficit in the Medical Assistance Program.

Effective September 18, 2016, the Department of Health, Bureau of Health Services Financing amends the provisions governing disproportionate share hospital payments to reduce the payments made to non-rural, non-state acute care hospitals for inpatient psychiatric services.
