

DECLARATION OF EMERGENCY

Department of Health Bureau of Health Services Financing

Pediatric Day Health Care Facilities Licensing Standards (LAC 48:I.5239)

The Department of Health, Bureau of Health Services Financing amends LAC 48:I.5239 in the Medical Assistance Program as authorized by R.S. 36:254 and 40:2193-40:2193.4. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the licensing standards for pediatric day health care facilities in order to: 1) revise the provisions governing provider participation, development and educational services and transportation requirements; 2) adopt provisions for the inclusion of PDHC facilities in the Facility Need Review (FNR) Program; and 3) revise the additional grandfather provisions for the FNR process for the Pediatric Day Health Care Program (*Louisiana Register*, Volume 41, Number 1).

The Department of Health, Bureau of Health Services Financing now proposes to amend the licensing standards governing PDHC facilities in order to clarify the provider

participation requirements regarding plans of care. This action is being taken to avoid a budget deficit in the medical assistance program. It is estimated that implementation of this Emergency Rule will have no fiscal impact on expenditures in the Medicaid Program in state fiscal year 2016-2017.

Effective September 1, 2016, the Department of Health, Bureau of Health Services Financing amends the licensing standards governing PDHC facilities.
