(LAC 50:V.Chapter 67)**

The Department of Health and Hospitals, Bureau of Health Services Financing adopts LAC 50:V.Chapter 67 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing promulgated an Emergency Rule which amended the provisions governing outpatient hospital services to establish supplemental Medicaid payments to non-state owned hospitals in order to encourage them to take over the operation and management of state-owned hospitals that have terminated or reduced services (*Louisiana Register*, Volume 38, Number 11). Participating non-state owned hospitals shall enter into a cooperative endeavor agreement with the department to support this public-private partnership initiative. The department promulgated an Emergency Rule which amended the provisions of

the November 1, 2012 Emergency Rule to revise the reimbursement methodology in order to correct the federal citation (*Louisiana Register*, Volume 39, Number 3). This Emergency Rule continues the provisions of the March 2, 2013 Emergency Rule. This action is being taken to promote the health and welfare of Medicaid recipients by maintaining recipient access to much needed hospital services.

Effective February 24, 2016, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing supplemental Medicaid payments for outpatient hospital services provided by non-state owned hospitals participating in public-private partnerships.
