

Section 7 – General Provisions

7.4.1 Medicaid Disaster Relief for the COVID-19 National Emergency

On March 13, 2020, the President of the United States issued a proclamation that the COVID-19 outbreak in the United States constitutes a national emergency by the authorities vested in him by the Constitution and the laws of the United States, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 et seq.), and consistent with section 1135 of the Social Security Act (Act). On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse. This authority took effect as of 6PM Eastern Standard Time on March 15, 2020, with a retroactive effective date of March 1, 2020. The emergency period will terminate, and waivers will no longer be available, upon termination of the public health emergency, including any extensions.

The State Medicaid agency (agency) seeks to implement the policies and procedures described below, which are different than the policies and procedures otherwise applied under the Medicaid state plan, during the period of the Presidential and Secretarial emergency declarations related to the COVID-19 outbreak (or any renewals thereof), or for any shorter period described below:

N/A

NOTE: States may not elect a period longer than the Presidential or Secretarial emergency declaration (or any renewal thereof). States may not propose changes on this template that restrict or limit payment, services, or eligibility, or otherwise burden beneficiaries and providers.

Request for Waivers under Section 1135

X The agency seeks the following under section 1135(b)(1)(C) and/or section 1135(b)(5) of the Act:

- a. ~~X~~ SPA submission requirements – the agency requests modification of the requirement to submit the SPA by March 31, 2021, to obtain a SPA effective date during the first calendar quarter of 2021, pursuant to 42 CFR 430.20.
- b. X Public notice requirements – the agency requests waiver of public notice requirements that would otherwise be applicable to this SPA submission. These requirements may include those specified in 42 CFR 440.386 (Alternative Benefit Plans), 42 CFR 447.57(c) (premiums and cost sharing), and 42 CFR 447.205 (public notice of changes in statewide methods and standards for setting payment rates).

TN: 22-0013
Supersedes TN: 21-0007

Approval Date: _____
Effective Date: January 1, 2022

- c. Tribal consultation requirements – the agency requests modification of tribal consultation timelines specified in [Louisiana] Medicaid state plan, as described below:

To address the COVID-19 public health emergency, the State respectfully requests to modify the tribal consultation process by eliminating the number of notification days before submission of the SPA and/or conducting consultation after submission of the SPA.

Section A – Eligibility

- 1. The agency furnishes medical assistance to the following optional groups of individuals described in section 1902(a)(10)(A)(ii) or 1902(a)(10)(c) of the Act. This may include the new optional group described at section 1902(a)(10)(A)(ii)(XXIII) and 1902(ss) of the Act providing coverage for uninsured individuals.

The State elects to cover all uninsured individuals as defined under 1902(ss) of the Act pursuant to Section 1902(a)(10)(A)(ii)(XXIII) of the Act, effective March 18, 2020.

- 2. The agency furnishes medical assistance to the following populations of individuals described in section 1902(a)(10)(A)(ii)(XX) of the Act and 42 CFR 435.218:

- a. All individuals who are described in section 1905(a)(10)(A)(ii)(XX)

Income standard: _____

-or-

- b. Individuals described in the following categorical populations in section 1905(a) of the Act:

Income standard: _____

- 3. The agency applies less restrictive financial methodologies to individuals excepted from financial methodologies based on modified adjusted gross income (MAGI) as follows.

Less restrictive income methodologies:

Less restrictive resource methodologies:

4. The agency considers individuals who are evacuated from the state, who leave the state for medical reasons related to the disaster or public health emergency, or who are otherwise absent from the state due to the disaster or public health emergency and who intend to return to the state, to continue to be residents of the state under 42 CFR 435.403(j)(3).

5. The agency provides Medicaid coverage to the following individuals living in the state, who are non-residents:

6. The agency provides for an extension of the reasonable opportunity period for non-citizens declaring to be in a satisfactory immigration status, if the non-citizen is making a good faith effort to resolve any inconsistencies or obtain any necessary documentation, or the agency is unable to complete the verification process within the 90-day reasonable opportunity period due to the disaster or public health emergency.

7. Section B – Enrollment

1. The agency elects to allow hospitals to make presumptive eligibility determinations for the following additional state plan populations, or for populations in an approved section 1115 demonstration, in accordance with section 1902(a)(47)(B) of the Act and 42 CFR 435.1110, provided that the agency has determined that the hospital is capable of making such determinations.

2. The agency designates itself as a qualified entity for purposes of making presumptive eligibility determinations described below in accordance with sections 1920, 1920A, 1920B, and 1920C of the Act and 42 CFR Part 435 Subpart L.

3. The agency designates the following entities as qualified entities for purposes of making presumptive eligibility determinations or adds additional populations as described below in accordance with sections 1920, 1920A, 1920B, and 1920C of the Act and 42 CFR Part 435 Subpart L. Indicate if any designated entities are permitted to make presumptive eligibility determinations only for specified populations.

4. The agency adopts a total of months (not to exceed 12 months) continuous eligibility for children under age enter age (not to exceed age 19) regardless of changes in circumstances in accordance with section 1902(e)(12) of the Act and 42 CFR 435.926.

5. The agency conducts redeterminations of eligibility for individuals excepted from MAGI-based financial methodologies under 42 CFR 435.603(j) once every _____ months (not to exceed 12 months) in accordance with 42 CFR 435.916(b).
6. The agency uses the following simplified application(s) to support enrollment in affected areas or for affected individuals (a copy of the simplified application(s) has been submitted to CMS).
 - a. The agency uses a simplified paper application.
 - b. The agency uses a simplified online application.
 - c. The simplified paper or online application is made available for use in call-centers or other telephone applications in affected areas.

Section C – Premiums and Cost Sharing

1. The agency suspends deductibles, copayments, coinsurance, and other cost sharing charges as follows:

The State suspends all cost sharing.

2. The agency suspends enrollment fees, premiums and similar charges for:
 - a. All beneficiaries
 - b. The following eligibility groups or categorical populations:

N/A

3. The agency allows waiver of payment of the enrollment fee, premiums and similar charges for undue hardship.

Please specify the standard(s) and/or criteria that the state will use to determine undue hardship.

Section D – Benefits

Benefits:

1. The agency adds the following optional benefits in its state plan (include service descriptions, provider qualifications, and limitations on amount, duration or scope of the benefit):

2. The agency makes the following adjustments to benefits currently covered in the state plan:

- A. *To address the COVID-19 public health emergency, the State respectfully requests to extend all prior authorization by automatic renewal without clinical review or time/quantity extensions for the duration of the emergency for the following services:*
- i. Any medically necessary surgical procedures that require prior authorization either by fee-for-service, managed care, or both.*
 - ii. Pediatric Day Health Center (PDHC)*
 - iii. physician administered drugs*
 - iv. Durable medical equipment (DME)*
 - v. Home health services (EHH/PCS)*
 - vi. Hospice services*
 - vii. Therapies (physical therapy, occupational therapy, speech therapy)*
- B. *To address the COVID-19 public health emergency for Long Term Personal Care Services (LT-PCS), 42 CFR 440.167, the State respectfully requests the following adjustments for the duration of the emergency:*
- i. Allow exceptions to the requirements that services must be provided in accordance with the approved plan of care and supporting documentation, to authorize hours up to 32 hours per week, if needed;*
 - ii. Allow exceptions for the age, education and experience for the personal care services worker qualifications and allow the following persons to serve as the direct service worker for the recipient: the recipient's curator; the recipient's tutor; the recipient's responsible representative; or the person to whom the recipient has given Representative and Mandate authority (Power of Attorney) unless they are legally responsible relatives;*
 - iii. Allow recipients' re-assessments to go beyond the 18-month requirement. These recipients will continue to be monitored through monthly telephone contacts;*
 - iv. Allow exceptions to the requirement that place(s) of service must be documented in the plan of care;*
 - v. LT-PCS may be provided in another state without prior approval of the Office of Aging and Adult Services (OAAS) or its designee;*
 - vi. A recipient may receive LT-PCS while living in a home or property owned, operated or controlled by a provider of services who is not related by blood or marriage to the recipient;*
 - vii. The State may increase the maximum number of LT-PCS hours received per week; and*
 - viii. The State may allow exceptions to the prior authorization requirements.*
- C. *Pediatric Day Health Care (PDHC) skilled services may be provided in a residential setting during the public health emergency to those children whose families are not able to provide such care due to the public health emergency.*
- D. *Other Licensed Practitioner (OLP) benefit - Pharmacy interns, pharmacy technicians, and pharmacies are qualified providers of COVID-19 vaccinations per the U.S. Department of Health and Human Services (HHS) COVID-19 Public Readiness and Emergency Preparedness (PREP) Act Declaration and authorizations.*

- 3. The agency assures that newly added benefits or adjustments to benefits comply with all applicable statutory requirements, including the statewideness requirements found at 1902(a)(1), comparability requirements found at 1902(a)(10)(B), and free choice of provider requirements found at 1902(a)(23).
- 4. Application to Alternative Benefit Plans (ABP). The state adheres to all ABP provisions in 42 CFR Part 440, Subpart C. This section only applies to states that have an approved ABP(s).
 - a. The agency assures that these newly added and/or adjusted benefits will be made available to individuals receiving services under ABPs.
 - b. Individuals receiving services under ABPs will not receive these newly added and/or adjusted benefits, or will only receive the following subset:

Telehealth:

- 5. The agency utilizes telehealth in the following manner, which may be different than outlined in the state’s approved state plan:

To address the COVID-19 public health emergency, the State respectfully requests to meet face-to-face requirements detailed in the Louisiana State Plan for all services via telehealth for the duration of the emergency.

Drug Benefit:

- 6. The agency makes the following adjustments to the day supply or quantity limit for covered outpatient drugs. The agency should only make this modification if its current state plan pages have limits on the amount of medication dispensed.

- 7. Prior authorization for medications is expanded by automatic renewal without clinical review, or time/quantity extensions.
- 8. The agency makes the following payment adjustment to the professional dispensing fee when additional costs are incurred by the providers for delivery. States will need to supply documentation to justify the additional fees.

- 9. The agency makes exceptions to their published Preferred Drug List if drug shortages occur. This would include options for covering a brand name drug product that is a multi-source drug if a generic drug option is not available.

Section E – Payments

Optional benefits described in Section D:

- 1. Newly added benefits described in Section D are paid using the following methodology:

- a. Published fee schedules –

Effective date (enter date of change): _____

Location (list published location): _____

- b. Other:

Describe methodology here.

Increases to state plan payment methodologies:

- 2. The agency increases payment rates for the following services:

To address the COVID-19 public health emergency, the State respectfully requests to increase the payment for privately owned or operated nursing facility leave of absence days from 10 percent of the per diem to 100 percent of the per diem, and include a ~~\$12~~\$16 increase to the daily per diem rate paid to privately owned or operated nursing facilities for dates of service on or after January 1, 2022.

State owned or operated and non-state government owned or operated facilities are not eligible for, and will not receive, the state or federally declared emergency modification to leave of absence day payments and will not receive the ~~\$12~~\$16 increase to the daily per diem rate as described above.

To address the COVID-19 public health emergency, the State respectfully requests to pay Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICFs-IID) beyond the 45-day leave of absence days.

To address the COVID-19 public health emergency, the State respectfully requests to adjust rates in the physician benefit to reimburse ambulance service providers who provide allowable services on site, without transport, while under the supervision of a licensed physician.

For dates of service on or after January 1, 2022, to address the COVID-19 public health emergency, the State respectfully requests to include a direct care \$12 add-on to reimburse intermediate care facilities for individuals with developmental disabilities (ICF/IID) for increased cost related to retaining and hiring direct care staff.

TN: 22-0013

Supersedes TN: 21-0007

Approval Date: _____

Effective Date: January 1, 2022

a. Payment increases are targeted based on the following criteria:

Please describe criteria.

b. Payments are increased through:

i. A supplemental payment or add-on within applicable upper payment limits:

\$126 per day add-on to the privately owned or operated nursing facility rate.
\$12 per day direct care add-on to ICF/IID rate.

ii. An increase to rates as described below.

Uniformly by the following percentage: *For privately owned and operated nursing facilities, increase rate from 10 percent to 100 percent of the per diem for home and hospital leave days.*

Through a modification to published fee schedules –

Effective date (enter date of change): _____

Location (list published location): _____

Up to the Medicare payments for equivalent services.

By the following factors:

Payment for services delivered via telehealth:

3. For the duration of the emergency, the state authorizes payments for telehealth services that:

- a. Are not otherwise paid under the Medicaid state plan;
- b. Differ from payments for the same services when provided face to face;
- c. Differ from current state plan provisions governing reimbursement for telehealth;

Describe telehealth payment variation.

- d. ___ Include payment for ancillary costs associated with the delivery of covered services via telehealth, (if applicable), as follows:
- i. ___ Ancillary cost associated with the originating site for telehealth is incorporated into fee-for-service rates.
 - ii. ___ Ancillary cost associated with the originating site for telehealth is separately reimbursed as an administrative cost by the state when a Medicaid service is delivered.

Other:

4. X Other payment changes:

1. To address the COVID-19 public health emergency (PHE), the State respectfully requests to provide a one-time lump sum payment to privately owned and operated intermediate care facilities for individuals with intellectual disabilities (ICFs/IID) (excluding state facilities and non-state governmental owned facilities).

A one-time payment will be made for the current PHE, as follows:

- A. Payment will be made on or before the State's fiscal year ending June 30, 2021 or before the end of the PHE, whichever occurs first and will be based on each provider's specific prorated share of an additional dedicated program funding pool totaling \$7,518,096.*
- B. The pro-rated share for each provider will be determined utilizing the provider's percentage of program Medicaid days for dates of service October 1, 2019 through December 31, 2019.*
- C. The additional dedicated program funding pool lump sum payments shall not exceed the Medicare upper payment limit, in the aggregate, for the provider class.*
- D. Unless the facility has timely in-activated their license, through the Health Standards Section, due to calendar year 2020 hurricane damage, the Facility must be open and operating as an ICF/IID at the time of payment.*

2. To address the COVID-19 public health emergency, the State respectfully requests to provide a one-time lump sum payment to long-term personal care services (LT-PCS) providers. The one-time lump sum payment will be made for the current PHE and will be distributed based on each LT-PCS provider's units billed for the dates of services between October 1, 2019 and December 31, 2019.

3. Effective for dates of service on or after March 15, 2021, in cases where vaccine administration is separately reimbursable at a fee amount, Louisiana will follow Medicare's reimbursement guidance for the COVID-19 vaccine and treatments at 100 percent of Louisiana Region 99 Medicare rates and will pay an administration fee of \$37.08 per dose or billed charges, whichever is the lesser amount. Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of COVID-19 vaccinations and treatments. Effective for dates of service on or after November 2, 2020,

reimbursement for COVID-19 treatments by all Licensed Practitioners will be made using the current professional services fee schedule published on the State Medicaid provider website at www.lamedicaid.com.

Section F – Post-Eligibility Treatment of Income

1. ___ The state elects to modify the basic personal needs allowance for institutionalized individuals. The basic personal needs allowance is equal to one of the following amounts:
 - a. ___ The individual’s total income
 - b. ___ 300 percent of the SSI federal benefit rate
 - c. ___ Other reasonable amount: _____

2. ___ The state elects a new variance to the basic personal needs allowance. (Note: Election of this option is not dependent on a state electing the option described the option in F.1. above.)

The state protects amounts exceeding the basic personal needs allowance for individuals who have the following greater personal needs:

Please describe the group or groups of individuals with greater needs and the amount(s) protected for each group or groups.
