# Medicaid Eligibility

- The state's highest effective income level for coverage of pregnant women under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified pregnant women), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related pregnant women), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related pregnant women), 1902(a)(10)(A)(ii)(I) (pregnant women who meet AFDC financial eligibility criteria) and 1902(a)(10)(A)(ii)(IV) (institutionalized pregnant women) in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of pregnant women under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of pregnant women under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- 185% FPL

The amount of the maximum income standard is:  % FPL

Income standard chosen

Indicate the state's income standard used for this eligibility group:

- The minimum income standard
- The maximum income standard
- Another income standard in-between the minimum and maximum standards allowed.

There is no resource test for this eligibility group.

Benefits for individuals in this eligibility group consist of the following:

- All pregnant women eligible under this group receive full Medicaid coverage under this state plan.
- Pregnant women whose income exceeds the income limit specified below for full coverage of pregnant women receive only pregnancy-related services.

Presumptive Eligibility

The state covers ambulatory prenatal care for individuals under this group when determined presumptively eligible by a qualified entity.

- Yes
- No

### PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1148. The time required to complete this information collection is estimated to average 40 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
