RE: Nurse Aide Training and Competency Evaluation Programs – Criminal
History Background Checks

During the 2019 Legislative Session, Senate Bill 32, Act 43, amendments LA R.S. 40:1203.1 and R.S. 40:1203.2 whereby effective **August 1, 2019**, nurse aide training programs may utilize an **authorized agency** of the Louisiana State Police to conduct criminal background checks for Nurse Aide Training Program applicants.

Attached is the list of authorized agencies that are currently approved to conduct a criminal background check for admission to a Nurse Aide Training Program. The Louisiana State Police updates the list of authorized agencies periodically, and the LDH has the most current list available on our website: <http://ldh.la.gov/index.cfm/directory/detail/12468/catid/154>.

Please note that your program is not required to use an authorized agency to conduct the criminal background check. If your program chooses not to use an authorized agency, applicants must continue to obtain a Right to Review. Also, please be aware that the statute amendments apply only to students of Nurse Aide Training Programs. If a criminal background check is required for other programs offered, your school must continue using the process required by the Louisiana State Police.
