The Department of Health, Bureau of Health Services Financing proposes to amend LAC 48:I.4541 as authorized by R.S. 36:254 and R.S. 40:2131-2141. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

The Department of Health, Bureau of Health Services Financing promulgated a Notice of Intent which proposed to amend the provisions governing the licensing of ambulatory surgical centers (ASCs) in order to: 1) add the definition of optometry; 2) exempt ASC medical staff qualified as optometrists and practicing optometry from the requirement to also be staff members or have admitting privileges at local hospitals; and 3) require ASCs to have a written procedure for the immediate transfer of patients requiring emergency services to a local facility that meets the federal requirements for payment and to provide the facility with a notice of operations and patient population served (*Louisiana Register*, Volume 47, Number 12). As a result of comments received, the department determined that it was necessary to abandon the Notice of Intent published in the December 20, 2021 edition of the *Louisiana Register*.
