(LAC 48:I.9323, 9479)**

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the Department of Health, Health Standards Section (the department), published a Notice of Intent in the September 20, 2025 edition of the *Louisiana Register* (LR 51:1494-1495) to amend LAC 48:I.9323, §9479, and §9501 as authorized by R.S. 36:254. This Notice of Intent proposed to amend provisions governing the licensing of hospitals to update hospital administrator requirements, and to clarify requirements of the director of nursing and registered nurse manager.

As a result of comments received in response to the proposed Rule, the department determined that additional, non-technical revisions were necessary to the provisions of the September 20, 2025 Notice of Intent.

Taken together, these revisions will closely align the proposed Rule with the department's original intent and the concerns brought forth during the comment period for the Notice of Intent as originally published.
