Public Hearing—Substantive Changes to Proposed Rule
Nursing Facilities—Licensing Standards
(LAC 48:I.Chapter 97 and 9911)

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the Department of Health, Bureau of Health Services Financing published a Notice of Intent in the December 20, 2022 edition of the *Louisiana Register* (LR 48:3034-3045) to amend LAC 48:I.Chapter 97 and §9911 as authorized by R.S. 36:254 and 40:2009.1-2009.44. This Notice of Intent proposed to continue the provisions of the November 18, 2022 Emergency Rule which amended the provisions governing the licensing of nursing facilities in order to comply with the requirements of the following Acts of the 2022 Regular Session of the Louisiana Legislature: Act 253 required the Department of Health to amend provisions governing the licensing of nursing facilities to provide requirements for generators or other department approved alternate electrical power sources; Act 461 required the department to promulgate provisions concerning healthcare workplace violence; and Act 522 directed the department to promulgate requirements and standards for nursing home emergency preparedness plans (*Louisiana Register*, Volume 48, Number 12).

The department has determined that additional, non-technical revisions are necessary to the provisions of §9701 and §9767 of the December 20, 2022 Notice of Intent. Taken together, these revisions will closely align the proposed Rule with the department’s original intent.
