Click the **Medicaid Eligibility Verification System** Hyperlink to continue to the application.

**Note:** The list of applications shown here is comprehensive; therefore you may not see as many options on the Provider Applications page.

You will be directed to the following screen.

Select the drop down box next to **Search By**: this will allow you to choose two identifying recipient data elements.

At the bottom of the screen in black is PLAN DATE.

eMEVs will allow you access to verify recipient eligibility one day at a time. For instance, if I wanted to know a recipient's eligibility on 8/31/2017, I would enter 8/31/2017 in PLAN DATE.
