Medicaid Managed Care Services
DME, Transportation, Therapy, Behavioral Health, Applied Behavioral Analysis,
EPSDT Personal Care Services and Home Health Services
(including Extended Skilled Nursing Services also known as Extended Home Health)

Managed Care Organizations must provide services in the same scope, range and duration as Legacy Medicaid; however, the Managed Care Organizations have the flexibility of offering services beyond those provided by Medicaid. For this reason, support coordinators will need to reach out to each the Managed Care Organizations for additional information regarding obtaining services for Managed Care Organization members. Such details as the prior authorization process and length of the prior authorization vary from Managed Care Organization to Managed Care Organization.

Medicaid Managed Care

PCS Provider Changes within an Existing Prior Authorization Period

Enrollees have the right to change PCS providers at any time; however, approved authorizations are not transferred between agencies. If an enrollee elects to change providers within an authorization period, the current agency must notify the Managed Care Organization of the enrollee's discharge, and the new agency must obtain their own authorization through the usual authorization process. If the discharge notice is not provided, the support coordinator should contact the MCO PAL.

NOTE: Members may contact their Managed Care Organization directly for assistance in locating another provider.

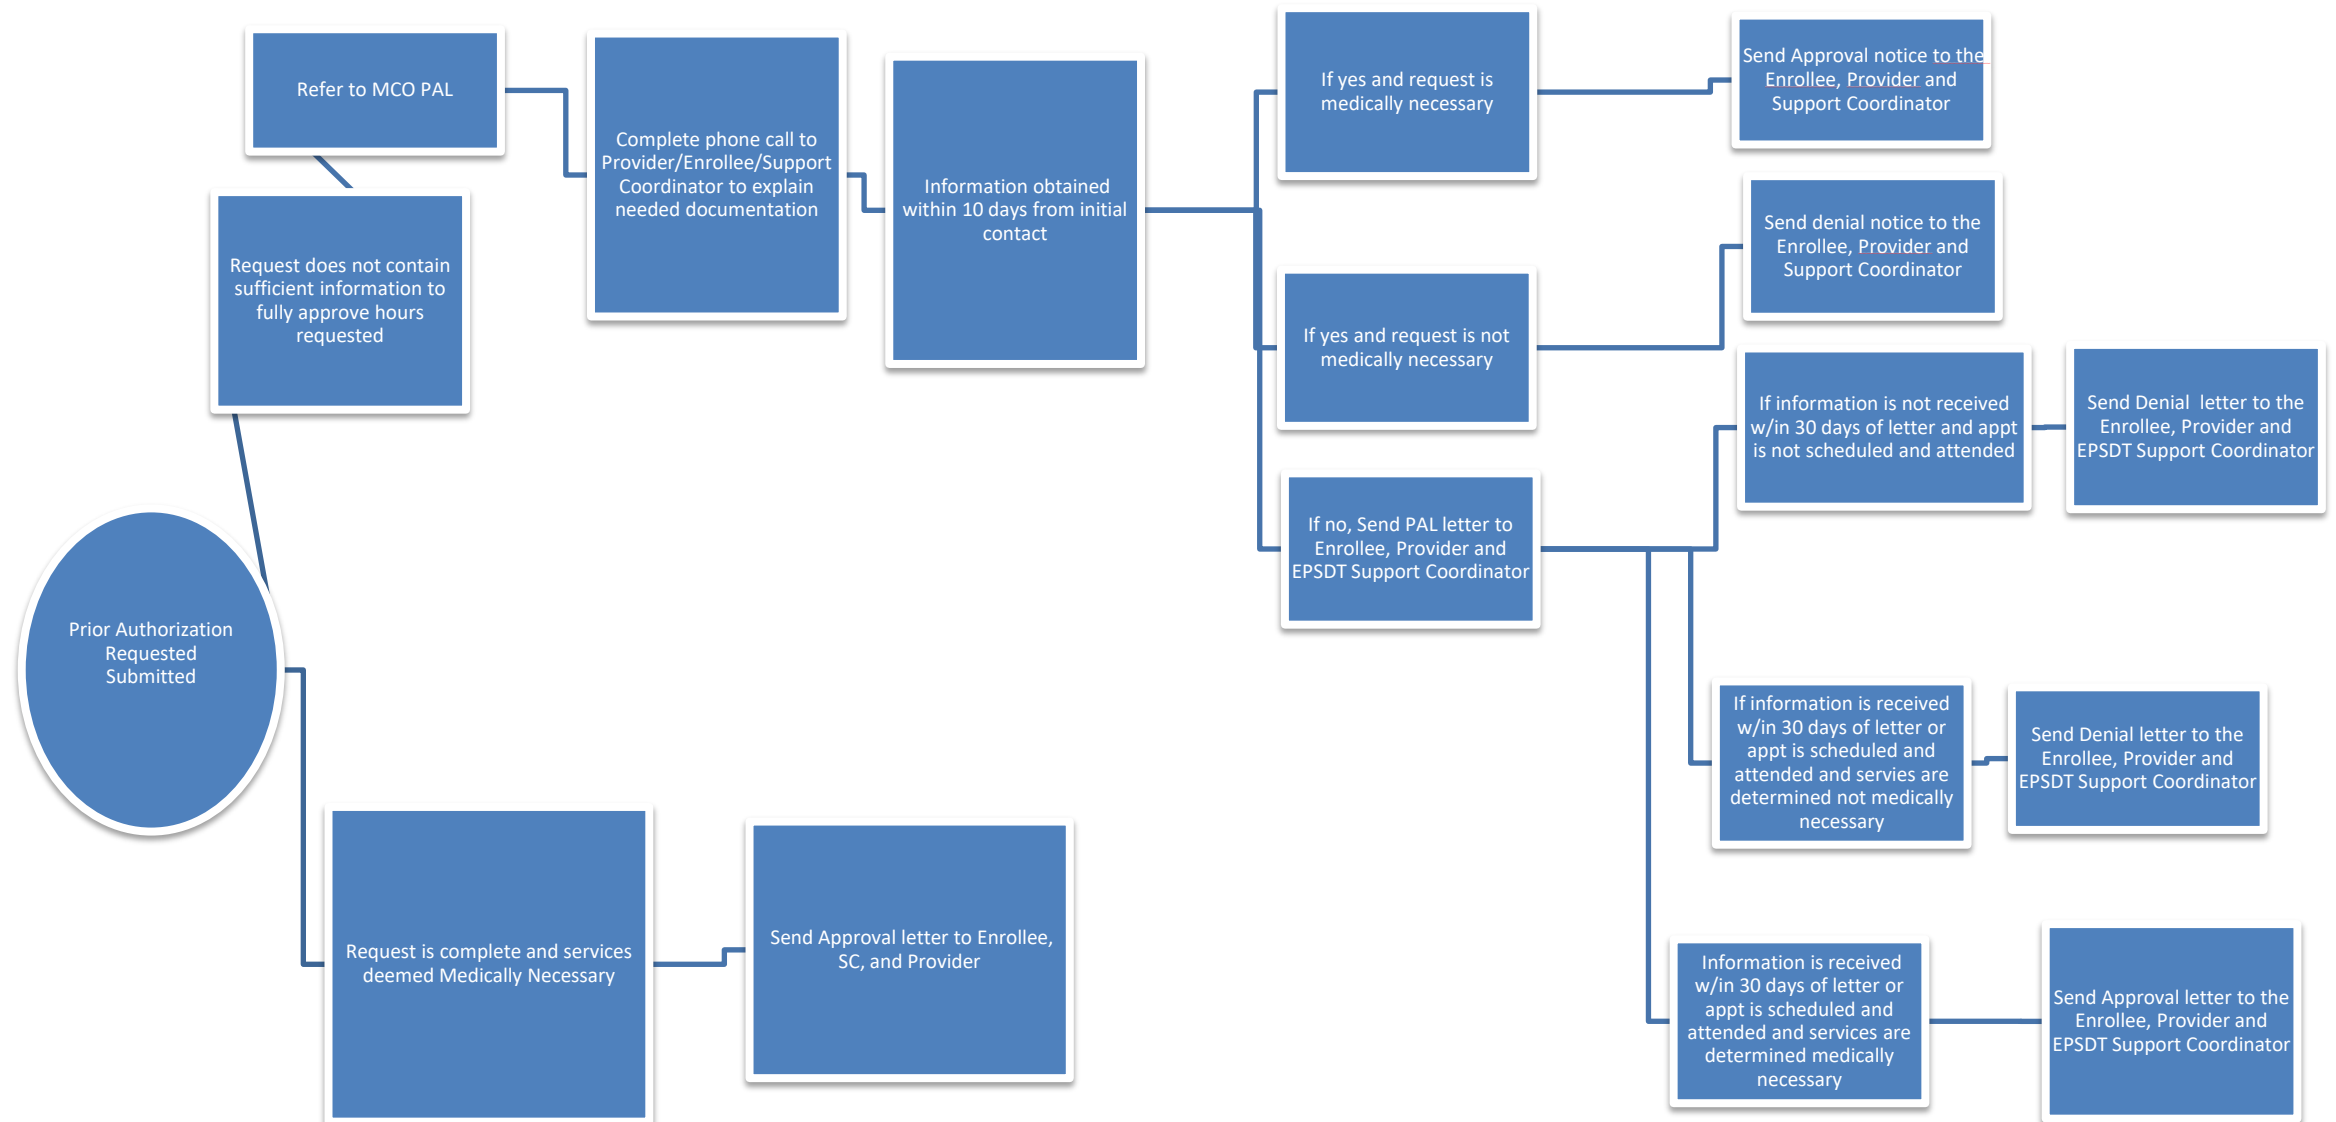

Medicaid Managed Care - PCS and EHH Prior Authorization Timeframes

Prior Authorization Timeframes	Aetna Better Health	AmeriHealth Caritas	Healthy Blue	Humana Healthy Horizons	Louisiana Healthcare Connections	United Healthcare Community
EHH						
Regular	60 days	1 month	30 days / 1 month unless the provider requests less	60 days	8 weeks	60 days
Chronic Needs	60 days	3 months	30 days / 1 month unless the provider requests less	60 days	8 weeks	60 days
PCS						
Regular	60 days	3 months	180 calendar days or a rolling 6 months	6 months	6 months	Up to 6 months
Chronic Needs	60 days	6 months	180 calendar days or a rolling 6 months	6 months	6 months	Up to 6 months
*Renewal Submission Timeline	10 days	10 days	14 calendar days prior to the expiration date of the authorization	14 calendar days prior to the expiration date of the authorization	14 days prior to the end of the approved authorization period	EHH= 14 days PCS= 21 days

***Number of days prior to the end of a PA that the renewal documents need to be submitted to avoid a lapse in services. Beneficiaries who have been designated by BHSF as a “Chronic Needs Case” are exempt from the standard prior authorization process. A new request for prior authorization shall still be submitted every 180 days; however, the EPSDT PCS provider shall only be required to submit a PA-14 form accompanied by a statement from the beneficiary’s primary practitioner verifying that the beneficiary’s condition has not improved and the services currently approved must be continued. The provider shall indicate “Chronic Needs Case” on the top of the PA-14 form. This determination only applies to the services approved where requested services remain at the approved level. Requests for an increase in these services will be subject to a full review requiring all documentation used for a traditional PA request. NOTE: Only BHSF or its designee will be allowed to grant the designation of a “chronic needs case” to a beneficiary.**

MCO PAL PROCESS

Medicaid Managed Care Appendix E

NOTE: All communications and actions taken during the MCO PAL process should be documented into the MCO and/or LDH tracking systems.

Revised 3.13.19

EPSDT Timeline & Documentation for Medicaid Managed Care Appeals

Medicaid Managed Care enrollees have appeal rights with their Managed Care Organization (MCO). In addition to appeal rights with the MCOs, enrollees may also file a grievance. A grievance is an expression of dissatisfaction about any matter other than an action. An “action” is the denial or limited authorization of a requested service, including the type or level of service, the reduction, suspension, or termination of a previously authorized service. If the enrollee is seeking reversal of a denial of a service, they should file an appeal, not a grievance.

The grievance and appeals process differs from MCO to MCO; however, each MCO must meet certain contractual guidelines regarding grievances and appeals. All Medicaid Managed Care enrollees are allowed 60 calendar days from the date on the MCO’s notice of action or inaction to file an appeal. Within that timeframe the enrollee or a representative acting on their behalf and with the enrollee’s written consent may file an appeal or the provider may also file an appeal on behalf of the enrollee, with the enrollee’s written consent. The appeal may be filed either orally or in writing. If the initial request is made orally and is not an expedited appeal, it must be followed with a written confirmation within 15 days of the notice from the MCO to send the written confirmation. All Medicaid Managed Care enrollees are: provided a reasonable opportunity to present evidence, testimony, and arguments about fact or law, in person, as well as in writing regarding their appeal; notified of any deadlines for doing so; and provided an opportunity before and during the appeals process to examine the case file and documents considered during the appeals process.

The MCO must acknowledge receipt of each grievance and appeal in writing and provide enrollees with assistance with the appeals process as needed. Specific details regarding each MCO’s grievance and appeal processes can be located in the MCO’s enrollee handbook. Support Coordinators are encouraged to familiarize themselves with the enrollee handbooks for each MCO. Enrollee handbooks can be accessed at:
<http://LDH.louisiana.gov/index.cfm/page/1212>.

Timeframes for MCOs to Make an Appeal Decision						
MCO	Aetna Better Health	AmeriHealth Caritas	Healthy Blue	Humana Healthy Horizons	Louisiana Healthcare Connections	United Healthcare
Appeal Timeframe (includes 14 day extension)	30-44 days	30-44 days	30-44 days	30-44 days	30-44 days	30-44 days
Expedited Appeal Timeframe	72 hours	72 hours	72 hours	72 hours	72 hours	72 hours

Once the appeal rights with the MCO are completed, enrollees may request a state fair hearing with the Division of Administrative Law (DAL). See Appendix L. Enrollees must complete the MCO appeals process before asking for a state fair hearing. A state fair hearing

must be requested within 120 days from the date of the MCO's Notice of Adverse Benefit Determination unless an extension is requested. A state fair hearing may be delayed at the request of the claimant/appellant or authorized representative, but cannot be delayed for more than 30 days without good cause. Enrollees may request a state fair hearing by mail, phone, fax or online.

The timeframes for the state fair hearing process are below:

State Fair Hearing Timeframe	120 days from the date of the MCO's Notice of Adverse Benefit Determination *An additional 30 days extension can be requested.
Expedited State Fair Hearing Timeframe	3 working days (after the DAL received the case file and documentation)

EPSDT Support Coordinators will need to follow the guidelines outlined in Medicaid Managed Care Appendix T-1 for both appeal processes for Chisholm Medicaid Managed Care enrollees. A list of Managed Care Organization contacts is located in Medicaid Managed Care Appendix A.

Compare Health Plans

Opting In and Disenrolling from Medicaid Managed Care for Physical Health Services for Chisholm Class Members

Chisholm class members are children up to age 21 who currently receive or are eligible for Medicaid, and who are on the Developmental Disabilities Request for Services Registry (DD RFSR). Members included in the Chisholm class and Home and Community Based Services (HCBS) waivers participants are required to enroll in a Managed Care Organization for specialized behavioral health services and Non-Emergency Medical Transportation (NEMT). Members included in the Chisholm class and HCBS waiver participants who do not have Medicare have the opportunity to proactively opt-in for physical health services or they can choose to stay with Legacy Medicaid for their physical health services.

To Voluntary Opt-in to Medicaid Managed Care for Physical Health Services:

Members can call Medicaid Managed Care at 1-855-229-6848 or go online at www.healthy.la.gov to enroll in a Managed Care Organization. Members have until the 2nd to last business day of the month to enroll with Medicaid Managed Care for the effective date to be the first of the following month. For example, if you call Medicaid Managed Care on April 8th, the effective date of enrollment for the Managed Care Organization will be May 1st. If you call Medicaid Managed Care on April 30th, the effective date of enrollment for the Managed Care Organization will be June 1st.

Disenrolling from Medicaid Managed Care for Physical Health Services:

Chisholm class members can return to Legacy Medicaid for their physical health services at any time effective the earliest possible month that the action can be administratively taken, but will have to stay enrolled in Medicaid Managed Care for their behavioral health services and for non-emergency medical transportation. Members can call Medicaid Managed Care at 1-855-229-6848 or go online at www.healthy.la.gov to disenroll from Medicaid Managed Care. Members have until the 2nd to last business day of the month to disenroll with Medicaid Managed Care for the effective date to be the first of the following month. For example, if you call Medicaid Managed Care on April 8th, the effective date of disenrollment from the Managed Care Organization will be May 1st. If you call Medicaid Managed Care on April 30th, the effective date of disenrollment for the Managed Care Organization will be June 1st. Members who have previously disenrolled from Medicaid Managed Care may reenroll in Medicaid Managed Care only during the annual open enrollment period effective the earliest possible month the action can be administratively taken.

EPSDT Targeted Population Medicaid Managed Care Complaints

If you have a complaint against your Managed Care Organization please contact the Healthy Louisiana Line at 1-855-229-6848 (TTY: 1-855-526-3346) or you can e-mail your complaint to healthy@la.gov. This will alert someone outside of the Managed Care Organization (MCO) about complaints about the MCO.

Specific details regarding each MCO's internal grievance process can be located in the MCO's member handbook. Member handbooks can be accessed at: <http://LDH.louisiana.gov/index.cfm/page/1212>.
