RE: RA Message

Dear Mr. Nichols:

Please post the following RA message for two weeks.

In April 2008, new rules were established noting that DHH shall not prevent a provider from pursuing a liable third party for payment in excess of the Medicaid paid amount. If a provider wishes to pursue the difference once he/she has received Medicaid payment, the provider shall submit written notification to Medicaid Recovery within 365 days of the accident or incident for which the third party is or may be liable. In an effort to simplify this reporting process, we are pleased to announce that a new internet based application has been developed that will allow providers to submit notification electronically to Louisiana Medicaid. The application is available at [www.lamedicaid.com](http://www.lamedicaid.com).

Providers should be able to access the secured Provider's Notification Internet Application using their existing provider login ID. After selecting TPL-Provider Notice to Pursue Difference, the provider can submit the form on-line to Medicaid Recovery. Providers still have the option to mail the form to The Department of Health and Hospitals, Medicaid Recovery, P. O. Box 4909, Baton Rouge, LA 70821-4909 or fax the form to (225) 342-1376.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Viator".
