

**Health Alert Network
Message 20-53: Memo to
CHCs, FQHC, & RHCs
Regarding Requirements for
COVID-19 Vaccine Allocation**

Origination Date:
December 22, 2020

Revision Dates (list all revision dates):

This message from the Louisiana Department of Health Emergency Operations Center (LDH EOC) for the Louisiana Health Alert Network (LA HAN) recipients was from the Office of Public Health Immunization Program. It was a memo regarding the requirements for the initial COVID-19 vaccine allocation to Louisiana's community health clinics, federally qualified health centers, and rural health clinics. Please see the attachment to this message regarding these requirements.
