

Health Alert Network Message 21-46: COVID-19 Vaccine Pediatric Toolkit for Providers

Origination Date:
June 10, 2021

Revision Dates (List All Revision Dates):

COVID-19 Vaccine Pediatric Toolkit for Providers

The [COVID-19 Vaccine Pediatric Toolkit for Providers](#) can be found on the [For Providers](#) webpage on the LDH website by clicking [Information for Pediatricians](#). This toolkit will help you as providers share clear and accurate information about COVID-19 vaccines with parents and/or guardians of adolescents interested in getting their child/children vaccinated.
