

Health Alert Network Message 21-48: Expiration Dates of Abbott BinaxNOW COVID-19 Antigen Tests Extended to 12 Months

Origination Date:
June 25, 2021

Revision Dates (List All Revision Dates):

Expiration Dates of Abbott BinaxNow COVID-19 Antigen Tests EXTENDED to 12 months

Abbott has extended the shelf life on select BinaxNOW lots to **12 months** (originally marked with 6-month expiration date). Please see the following link to determine if you currently have affected lots and the new 12-month expiration date.

https://content.veeabb.com/1d09429b-8373-419f-8f1a-d28f9586863a/678e2269-44b7-4c6d-8fa9-0a55a40f30f7/678e2269-44b7-4c6d-8fa9-0a55a40f30f7_source_v.pdf

The expiration dates of the lot numbers listed in the referenced link have been extended to 12 months. Facilities should keep a copy of the referenced document for any future CLIA inspections.

BinaxNow is still available at no charge to the end user. Our current lots expire in November 2021. If you would like to request BinaxNow, please e-mail Dr. Runa Bakshi at Runa.Bakshi@LA.gov.
