RE: Lead and Copper Rule
Improving Transparency and Public Information
Blanchard Water System
PWSID: #LA1017006

Dear Mr. Harris:

In reference to your letter dated February 1, 2018 regarding the above referenced whereby LDH has requested a "materials inventory" of our distribution system under the Lead and Copper Rule, please be advised that:

"The Blanchard Water System has no records or information indicating that there are any lines in its water distribution system containing lead."

If you have any questions or need any additional information, please do not hesitate to contact us.

Sincerely,

Perry Fuller
Utility Manager
