Dear Mr. Harris,

In accordance with your letter dated February 1, 2018, the Lafayette Parish Waterworks District North has no records or information indicating that there are any lines in its water distribution system or its service lines containing lead or copper. Such statement has been included on the LPWDN's website at <http://lpwdn.com/water-quality-report>.

Please call if you have any questions.

Sincerely,

Bill Neef, P.E.  
LPWDN Engineer
