Health and Safety Institute (including American Safety and Health Institute, MEDIC First Aid, or EMS Safety) Affiliates

The HSI curriculum is approved for first aid, bloodborne pathogens and cardiopulmonary resuscitation (CPR). Approved trainers using this curriculum should issue ASHI, MEDIC First Aid or EMS Safety cards bearing class dates and expiration dates. HSI maintains a list of current and approved (active) training facilities/affiliates on its website here: <https://emergencycare.hsi.com/quality-assurance-compliance>. Click the “Check the Registry” button under the Registry Status Database heading.

American Red Cross (ARC)

The American Red Cross training curriculum is approved for first aid, bloodborne pathogens, and CPR. The following courses meet LDH’s training requirement: Adult First Aid and CPR (classroom), Bloodborne Pathogens (classroom or online). Note that the following do not meet our requirement: BLS for Healthcare Providers, Adult AED and CPR*, Anaphylaxis and Epinephrine, Family Safety, Pediatric First Aid and CPR (only).

Visit the Red Cross at <http://www.redcross.org/ux/take-a-class> to find courses in your area. If you want to schedule a group training at your location, call at 1-800-733-2767, Monday through Friday from 8:00 am to 5:00 pm.

Note that ARC trainers and training centers not shown here do exist and may be found by going to the link above. The information below is provided at the request of the trainer(s) in question.
