Note: if your information is missing from or incorrect on this list (or you no longer wish to be listed here), please contact Chief Sanitarian Brian R. Warren at (225) 342-7545 or brian.warren@la.gov and include the information or changes that you desire to see on this list.

The state currently accepts online training courses for Bloodborne Pathogens and Disease Transmission Prevention ONLY! Other courses must be classroom training and all certificates/cards must bear an expiration date (and should bear a training date).

Last revised November 3, 2023

**Health and Safety Institute (including American Safety and Health Institute, MEDIC First Aid, or EMS Safety) Affiliates**

The HSI curriculum is approved for first aid, bloodborne pathogens and cardiopulmonary resuscitation (CPR). Approved trainers using this curriculum should issue ASHI, MEDIC First Aid or EMS Safety cards bearing class dates and expiration dates. HSI maintains a list of current and approved (active) training facilities/affiliates on its website here: [https://emergencycarehsi.com/quality-assurance-compliance](https://emergencycarehsi.com/quality-assurance-compliance). Click the “Check the Registry” button under the Registry Status Database heading.

**American Red Cross (ARC)**

The American Red Cross training curriculum is approved for first aid, bloodborne pathogens, and CPR. The following courses meet LDH’s training requirement: Adult First Aid and CPR (classroom), Bloodborne Pathogens (classroom or online). Note that the following do not meet our requirement: BLS for Healthcare Providers, Adult AED and CPR*, Anaphylaxis and Epinephrine, Family Safety, Pediatric First Aid and CPR (only).

Visit the Red Cross at [http://www.redcross.org/ux/take-a-class](http://www.redcross.org/ux/take-a-class) to find courses in your area. If you want to schedule a group training at your location, call at 1-800-733-2767, Monday through Friday from 8:00 am to 5:00 pm.

Note that ARC trainers and training centers not shown here do exist and may be found by going to the link above. The information below is provided at the request of the trainer(s) in question.

*This covers only the CPR requirement and would not meet the state training requirement for First Aid.*
American Heart Association (AHA)

The American Heart Association training curriculum is approved for first aid, bloodborne pathogens, and cardiopulmonary resuscitation (CPR). The following courses meet LDH’s training requirement: Heartsaver First Aid and CPR (classroom), Heartsaver Bloodborne Pathogens (classroom or online). Note that the following do not meet our requirement: Heartsaver AED and CPR*, Heartsaver Pediatric First Aid CPR and AED.

Visit the American Heart Association at http://ahainstructornetwork.americanheart.org/AHAECC/classConnector.jsp?pid=ahaecc.classconnector.home to find courses in your area.

Note that AHA trainers and training centers not shown here do exist and may be found by going to the link above. The information below is provided at the request of the trainer(s) in question.
