

INFECTIOUS DISEASE EPIDEMIOLOGY

Healthcare-Associated Infections and Emerging Infectious Diseases Workshop 2017

REGISTRATION FORM

The Infectious Disease Epidemiology Section will hold three, one-day workshops targeting nurses, laboratory personnel, and other professionals employed by healthcare settings throughout the state who have roles in infection prevention, surveillance, and reporting.

The cities are as follows:

- Metairie – Thursday, November 2, 2017
- Lafayette – Thursday, November 9, 2017
- Bossier City – Thursday, November 16, 2017

The training is free of charge, but attendees must register for each location (planning purposes for seating and handouts).
