

John Bel Edwards
GOVERNOR

Rebekah E. Gee MD, MPH
SECRETARY

State of Louisiana
Louisiana Department of Health
Office of Public Health

DATE: September 20, 2018

TO: Louisiana OPH Laboratories Newborn Screening Submitters

From: Daniel Ferguson, MD *DF*
Director of OPH Laboratories

Re: Discontinuation of Paper Reports

This letter is to notify all submitters of Newborn Screening samples that the Louisiana Office of Public Health Laboratory Biochemistry/Newborn Screening Department will discontinue mailing paper reports after **September 30, 2018**.

Submitters who have not registered to receive their reports electronically via our **Secure Result Viewer** system can contact our Genetics Program office at 504-568-8254 for registration details.
