

AVOIDING COVID-19 VACCINE LOSS

IF YOUR COVID-19 VACCINE IS SET TO EXPIRE

WITHIN 48 HOURS

1. Identify any **phase 1a eligible persons** to offer and administer the vaccine.
2. Contact your facilities' **Vaccine Coordinator** to determine if any unopened packages that are set to expire can be used to vaccinate eligible phase 1a persons at another location or an off-site clinic within 24 hours.

WITHIN 6 HOURS

1. Identify and administer vaccine to any **phase 1a eligible persons**.
2. Administer vaccine to **outpatient health personnel and health-related support personnel** in the community.
3. Administer vaccine to **persons 70+ years of age**.
4. Administer vaccine to **other persons** not identified above.
