

Office of Public Health’s School-Based Health Center Directory 2026-2027 School Year

School-Based Health Centers offer medical and behavioral health services to students at no out-of-pocket cost to parents. The network of Office of Public Health School-Based Health Centers are located in 26 Louisiana parishes, see table below.

Schools are listed as either a School-Based Health Center, which deliver services, or a School Served by a School-Based Health Center. Call your local School-Based Health Center for more information.

Click on a parish to learn if your child’s school is listed. After clicking on a parish, scroll down to ensure you see all the School-Based Health Centers in your area.
