

# State of Louisiana

Louisiana Department of Health  
Office of Management and Finance

Dear LDH Supervisors,

Effective Monday, March 22, 2021, the State of Louisiana expanded eligibility for COVID-19 vaccines to include **Public Health Workers, Frontline Government Workers, Child, Youth, and Family Service Workers, and Emergency Preparedness Workers**, - this includes all LDH employees regardless of age or health condition.

To document eligibility to receive the vaccine, employees must provide some form of identification (State ID badge) and proof of eligibility.

**SUPERVISOR:** Complete the attestation form below and give to your employees.

**EMPLOYEE:** Bring State ID badge or other form of identification and completed attestation form to the vaccination site.

## SUPERVISOR ATTESTATION FORM

This is to certify that \_\_\_\_\_ (*print employee's name*) is a **Public Health Worker, Frontline Government Worker, Child, Youth, and Family Service Worker** or an **Emergency Preparedness Worker**, at the Louisiana Department of Health (LDH) and is eligible to receive the vaccine based on Governor John Bel Edwards' expanded eligibility criteria starting Monday, March 22, 2021.
