This provision shall not prevent the normal dissemination of factual information relative to a proposition or any election ballot or a proposition or matter having the effect of law being considered by the Legislature or any local governing authority. Contracts with individuals shall be exempt from this provision.
11. **State Employment:** Should Contractor become an employee of the classified or unclassified service of the State of Louisiana during the effective period of the contract, Contractor must notify his/her appointing authority of any existing contract with State of Louisiana and notify the contracting office of any additional state employment. 13. **Subcontracting:** Contractor shall not enter into any subcontract for work or services contemplated under this contract without obtaining prior written approval of the Department. Any subcontracts approved by the Department shall be subject to conditions and provisions as the Department may deem necessary; provided, however, that notwithstanding the foregoing, unless otherwise provided in this contract, such prior written approval shall not be required for the purchase by the contractor of and services which are incidental but necessary for the performance of the work required under this contract.

No subcontract shall relieve the Contractor of the responsibility for the performance of contractual obligations described herein.

14. **Conflict of Interest:** Contractor warrants that no person and no entity providing services pursuant to this contract on behalf of Contractor or any subcontractor is prohibited from providing such services by the provisions of R.S. 42:1113.
15. **Unauthorized Services:** No claim for services furnished or requested for reimbursement by Contractor, not provided for in this contract, shall be allowed by the Department. 16. **Fiscal Funding:** This contract is subject to and conditioned upon the availability and appropriation of Federal and/or State funds; and no liability or obligation for payment will develop between the parties until the contract has been approved by required authorities of the Department; and, if contract exceeds \$2,000, the Division of Administration, Office of State Procurement.

The continuation of this contract is contingent upon the appropriation of funds from the legislature to fulfill the requirements of the contract. If the Legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

17. **State and Federal Funding Requirements:** Contractor shall comply with all applicable requirements of state or federal laws or regulations relating to Contractor's receipt of state or federal funds under this contract.

If Contractor is a "subrecipient" of federal funds under this contract, as defined in 2 CFR Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards), Contractor shall comply with all applicable requirements of 2 CFR Part 200, including but not limited to the following:

 - o Electronic submission of data and reports to the Federal Audit Clearinghouse (FAC) (2 CFR §200.512(d)).
 - o Ensuring that reports do not include protected personally identifiable information (2 CFR §200.512(a)(2)).

Notwithstanding the provisions of paragraph 3 (Auditors) of these Terms and Conditions, copies of audit reports for audits conducted pursuant to 2 CFR Part 200 shall not be required to be sent to the Department.

18. **Amendments:** Any alteration, variation, modification, or waiver of provisions of this contract shall be valid only when reduced to writing, as an amendment duly signed, and approved by required authorities of the Department; and, if the contract exceeds \$2,000, by the Division of Administration, Office of State Procurement. Budget revisions approved by both parties in cost reimbursement contracts do not require an amendment if the revision only involves the realignment of monies between originally approved cost categories.
19. **Non-Infringement:** Contractor will warrant all materials, products and/or services produced hereunder will not infringe upon or violate any patent, copyright, trade secret, or other proprietary right of any third party. In the event of any such claim by any third party against LDH, the Department shall promptly notify Contractor in writing and Contractor shall defend such claim in LDH's name, but at Contractor's expense and shall indemnify and hold harmless LDH against any loss, expense or liability arising out of such claim, whether or not such claim is successful. The contractor has the responsibility to submit to the Contract Monitor an inventory list of LDH equipment items when acquired under the contract and any additions to the listing as they occur. Contractor will submit an updated, complete inventory list on a quarterly basis to the Contract Monitor. Contractor agrees that upon termination of contracted services, the equipment purchased under this contract reverts to the Department. Contractor agrees to deliver any such equipment to the Department within 30 days of termination of services.
21. **Indemnity:** Contractor agrees to protect, indemnify and hold harmless the State of Louisiana, LDH, from all claims for damages, costs, expenses and attorney fees arising in contract or tort from this contract or from any acts or omissions of Contractor's agents, employees, officers or clients, including premises liability and including any claim based on any theory of strict liability. This provision does not apply to actions or omissions for which R.S. 40:1237.1 et seq. provides malpractice coverage to the Contractor, nor claims related to treatment and performance of evaluations of persons when such persons cause harm to third parties (R.S. 13:5108.1(E)). Further, it does not apply to premises liability when the services are being performed on premises owned and operated by LDH.

22. **Severability:** Any provision of this contract is severable if that provision is in violation of the laws of the State of Louisiana or the United States, or becomes inoperative due to changes in State and Federal law, or applicable State or Federal regulations.
23. **Entire Agreement:** Contractor agrees that the current contract supersedes all previous contracts, negotiations, and all other communications between the parties with respect to the subject matter of the current contract.
24. **E-Verify:** Contractor acknowledges and agrees to comply with the provision of R.S. 38:2212.10 and federal law pertaining to E-Verify in the performance of services under this contract.
25. **Remedies for Default:** Any claim or controversy arising out of this contract shall be resolved by the provisions of R.S. 39:1672.2-1672.4.
26. **Governing Law:** This contract shall be governed by and interpreted in accordance with the laws of the State of Louisiana, including but not limited to R.S. 39:1551-1736; rules and regulations; executive orders; standard terms and conditions, and specifications listed in the RFP (if applicable); and this Contract.
27. **Contractor's Cooperation:** The Contractor has the duty to fully cooperate with the State and provide any and all requested information, documentation, etc. to the state when requested. This applies even if this Contract is terminated and/or a lawsuit is filed. Specifically, the Contractor shall not limit or impede the State's right to audit or shall not withhold State owned documents.
28. **Continuing Obligation:** Contractor has a continuing obligation to disclose any suspension or debarment by any government entity, including but not limited to the General Services Administration (GSA). Failure to disclose may constitute grounds for suspension and/or termination of the Contract and debarment from future contracts.
29. **Eligibility Status:** Contractor and each tier of Subcontractors, shall certify that it is not excluded, disqualified, disbarred, or suspended from contracting with or receiving federal funds or grants from the Federal Government. 30. **Act 211 Taxes Clause:** In accordance with R.S. 39:1624(A)(10), the Louisiana Department of Revenue must determine that the prospective contractor is current in the filing of all applicable tax returns and reports and in payment of all taxes, interest, penalties, and fees owed to the state and collected by the Department of Revenue prior to the approval of this contract by the Office of State Procurement. The prospective contractor hereby attests to its current and/or prospective compliance, and agrees to provide its seven-digit LDR Account Number to LDH so that the prospective contractor's tax payment compliance status may be verified. The prospective contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of this contract by the Office of State Procurement. LDH reserves the right to withdraw its consent to this contract without penalty and proceed with alternate arrangements should the vendor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) business days of such notification.
31. **Termination for Cause:** The Department may terminate this Contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided that the Department shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the Department may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the Department to comply with the terms and conditions of this contract; provided that the Contractor shall give the Department written notice specifying the Department's failure and a reasonable opportunity for the state to cure the defect.
32. **Termination for Convenience:** The Department may terminate this Contract at any time by giving thirty (30) days written notice to the Contractor. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

36. **Venue:** Venue for any action brought with regard to this Agreement shall be in the Nineteenth Judicial District Court, Parish of East Baton Rouge, State of Louisiana.
37. **Commissioner's Statements:** Statements, acts and omissions made by or on behalf of the Commissioner of Administration regarding the RFP or RFP process, this Contract, any Contractor and/or any subcontractor of the Contractor shall not be deemed a conflict of interest when the Commissioner is discharging his duties and responsibilities under law, including, but not limited, to the Commissioner of Administration's authority in procurement matters.
