

2019 Needs Assessment for Part B CBO Region 6

Data presented in this report represents responses from 75 persons living with HIV (PLWH) in Louisiana Public Health Region VI as part of the 2019 Needs Assessment performed by The Policy & Research Group (PRG) for the Louisiana Office of Public Health STD/HIV Program. The 2019 Needs Assessment aimed to provide an estimate of the extent of PLWH's unmet primary care and HIV-related support service needs, their experiences in accessing those services, and perceived barriers to accessing services.

Background of Respondents
