Applications move through the following process prior to being approved:

Pending Employment Verification - The personnel admin for the agency (or agencies) selected within an applicant's application are responsible for approving affiliation for the application to move forward. If affiliation is denied, the application will return to incomplete for the applicant to select a different agency or to change the affiliation type to inactive.

Pending Payment - After an agency (or agencies) has approved the affiliation request, the applicant will receive an email confirming the affiliation approval. At this time, the applicant can log in to their account to pay the license application fees.

Pending Review - The license application has now entered the licensing queue and it can take up to seven business days to be reviewed. The application will be approved or returned for corrections. The applicant will receive notification of the approval or corrections requested. Corrections requested emails state the corrections needing to be made by the application prior to resubmitting the application.

The Bureau of EMS shall review and decide on an application that has been completed per the Bureau of EMS' instructions.

- If the Bureau of EMS approves the application, the Bureau of EMS will notify the applicant and issue a license.
- If the Bureau of EMS denies the application, the Bureau of EMS will notify the applicant of the reason for the denial and any appeal rights.
- Incomplete applications will not be forwarded to the review queue in the Bureau of EMS Information Management System.
- If the applicant fails to complete the application within 30 days from the date of the initial submission, the application will be canceled and license application fees will be forfeited.
- Applicants required to submit a federal and/or state criminal background check should upload a mailing receipt or receipt of payment for the criminal background check into their BEMS IMS account to obtain a "Provisional" license within 30 days from the date of submission of the completed application. Once receipt of the results of the criminal background check has been received by the Bureau of EMS and if no other additional information is required to process the application, the provisional flag will be removed.
- Should the Bureau of EMS not receive the criminal background check within 90 days from the date of submission of the completed application and upload of the mailing or payment receipt for the criminal background check, the application will be canceled and the licensing fees forfeited.
- The Bureau of EMS will not take any action on the incomplete application. To be considered further by the Bureau of EMS, the applicant shall meet the eligibility requirements and submit a new application as required.
- Applications are not reviewed or considered by the Bureau of EMS until the appropriate license fee is paid.
