Apply here: gov.louisiana.gov/index.cfm/form/home/14

LOUISIANA DOMESTIC ABUSE FATALITY REVIEW PANEL RESPONSIBILITIES

- Identify and characterize the scope and nature of domestic abuse fatalities in the state.
- Research and review trends, data, or patterns that are observed in domestic abuse fatalities.
- Review past events and circumstances of domestic abuse fatalities with records and other documents of agencies responsible for investigating deaths or treating victims.
- Research and revise operating rules/procedures for review of domestic abuse fatalities including identification of cases, coordination among agencies, and improvement of the identification, data collection, and record-keeping of the causes.
- Recommend systemic improvements to promote improved and integrated public and private systems serving victims of domestic abuse.
- Recommend components for prevention and education programs.
- Recommend training to improve the identification and investigation of domestic violence fatalities that occur in Louisiana.
