## LOUISIANA SICKLE CELL COMMISSION RESPONSIBILITIES

- Ensure the delivery of sickle cell disease services throughout Louisiana.
- Make policy and budgetary recommendations to the governor, the legislature, and other statewide policymakers on sickle cell disease programming in Louisiana.
- Publish an annual report that evaluates current sickle cell programs and activities, informs on how state and private organizations are progressing in collaborating on the management and treatment of sickle cell disease, and provides a detailed plan to address the needs of people living with sickle cell disease in Louisiana.
