and Prevention of Infant Mortality; maternal and infant mortality studies; confidentiality; prohibited disclosure and discovery

A. There shall be established within the Louisiana Department of Health, a commission which shall be designated the "Commission on Perinatal Care and Prevention of Infant Mortality", composed of sixteen members, as provided in Subsection B of this Section.

1. Research and review all state regulations, guidelines, policies, and procedures that impact perinatal care and, when appropriate, make recommendations to the secretary of the Department of Health and Hospitals.
2. Research and review all state laws that impact perinatal care and, when appropriate, make recommendations to the legislature.
3. Accept grants and other forms of funding to conduct maternal and infant mortality studies
4. Contract, in accordance with the applicable provisions of state law, for the performance of maternal and infant mortality studies

Note: the order of the agenda may not be followed as listed in order to accommodate presenter schedules.

Presenters, members, and guests may submit requests for accessibility and accommodations prior to a scheduled meeting. Please submit a request to PerinatalCommission@la.gov at least 48 hours prior to the meeting with details of the required accommodations.

In lieu of verbal public comment, individuals may submit a prepared statement in accordance with Senate Rule 13.79. Statements should be emailed to PerinatalCommission@la.gov and must be received at least 24 hours prior to the meeting to be included in the record for the meeting.
