RE: New Infant Formula Supplier List

The Louisiana WIC Program (LA WIC) recently updated its Infant Formula Supplier List (“Supplier List”). The new Supplier List is attached for your reference and can be found [here](#).

The Supplier List includes only infant formula manufacturers registered with the Food and Drug Administration (FDA) and Suppliers that sell LA WIC’s current contract-brand infant formula. As an Authorized WIC Vendor (Vendor), your store must purchase infant formula only from sources that appear on the Supplier List. **If at any time your store purchases infant formula from a source that is NOT listed on the Supplier List, your store may be subject to sanction.**

To remain in compliance and avoid sanction please review the most recent Supplier List and verify that your store purchases infant formula only from those source(s) that appear within the listing.

Please note that *the following Suppliers have been removed* from the Supplier List and Vendors may no longer purchase infant formula from them:

- Albertson’s LLC Distribution Center – Ponca, OK
- Save A Lot Distribution Centers – Earth City, MO

Vendors may submit a request to add a Supplier to the Supplier List by completing the [Infant Formula Supplier Request Form](#) (7.27_VF1) and returning it to LAWICVendor@la.gov.

If you should have any questions, please feel free to contact us at (225) 342-0725 or at LAWICVendor@la.gov.

Sincerely,
